FINEST GREEK
ELEMENTS
OF ART

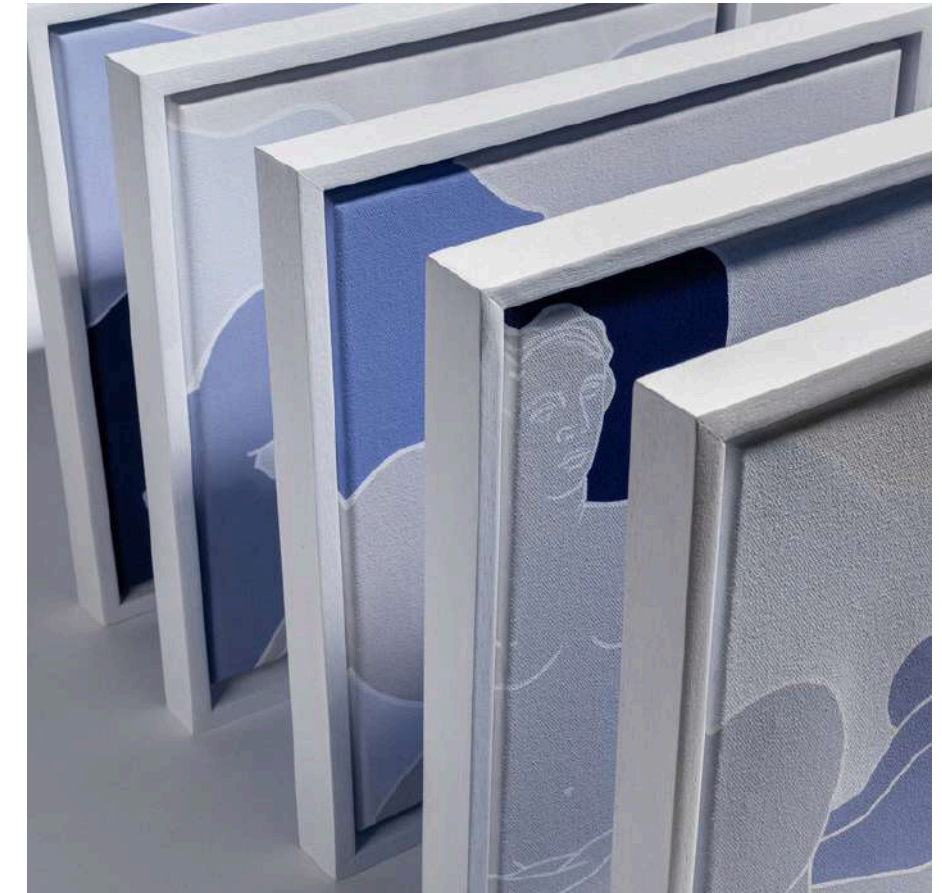

BY CHRISTINA MICHALOPOULOU

THE PHILOSOPHY

The Phos Collection is a visual journey inspired by the light of the Aegean and the purity of Greek aesthetics.

It is an art-driven brand that translates classical beauty into contemporary objects, balancing artistic expression with refined material quality.

Each piece is designed by artist Christina Michalopoulou and produced in Greece, as a collectible object that reflects both heritage and modern design.

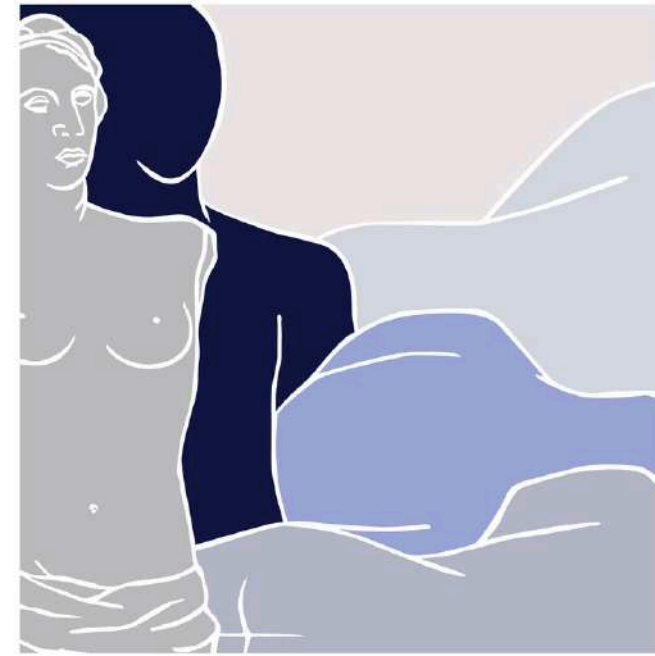

Greek heritage, reimagined in contemporary minimal art.
